

Nick Pham

Nick Pham came to the Harbor in 2003, and initially struggled to cope with the separation from his family. However, the Harbor quickly became a comfortable and safe home to Nick. When Child Protective Services returned on behalf of his family, he chose to remain at the Harbor.

Nick stayed at the Harbor through high school excelling as an athlete and a scholar. He was a member of the National Honor Society, and played for both the La Porte High School football team as well as the Harbor sports teams.

With much dedication and hard work, Nick graduated from La Porte High School in 2008 in the top 10 percent of his class. He earned more than \$35,000 in scholarships and attended the University of Texas in San Antonio, graduating from UTSA with honors and a degree in Mechanical Engineering.

Nick represents what we hope for all of the children who live at Boys & Girls Harbor--to become happy, healthy and productive members of society.
Well done, Nick!
