The investigative consumer report may consist of contacting all listed prior employers to verify your employment history. It may also include, but not be limited to, credit information reports, criminal history reports and driving history records. Under the provisions of the Fair Credit Reporting Act, before we can seek such reports, we must have your written permission to obtain the information. You have the right, upon written request, to a complete and accurate disclosure of the nature and scope of the investigation. You are also entitled to a copy of your Consumer Rights Under the Fair Credit Reporting Act.
